

DDC 4, 5th Edition 4-hour Classroom Course

The DDC 4 defensive driving course offers drivers an action-packed, fast-paced way to improve their driving skills and attitude, helping them drive more safely.

The NSC trains more than 400,000 drivers annually in this popular accelerated course. More than 500 corporations have selected this course to improve the safety of their employees.

Course description

DDC 4 is a highly interactive driver improvement program that focuses on the importance of attitude in accident prevention and good driving skills. In four hours, DDC 4 delivers practical strategies to reduce collision-related injuries, fatalities and related costs. Most importantly, this course highlights the consequences of poor choices made behind the wheel. DDC 4 makes an ideal refresher course for experienced drivers.

What participants learn

- How to avoid collisions through the presentation of several case study scenarios
- How driver behavior and mental conditions affect driving, especially when distracted by fatigue, electronic devices and mobile phones
- Coping strategies for dealing with road rage, impaired drivers, high-speed drivers and other dangers
- Why vehicle malfunctions and poor maintenance contribute to collisions

Who would benefit from this course

Experienced licensed drivers, organizations that want a driver improvement course for their fleet or employees, traffic violators who have been ordered to take a driver improvement course by the court or insurance company

Become a DDC training partner

We offer DDC™ Instructor Development Courses at your facility where our “Master Trainers” can train your qualified training candidates. Alternatively, we can train your team at the National Safety Council headquarters or at many Chapter offices in the United States.
