

DDC Online, 9TH EDITION NSC Driver Safety Training

Control today's high liability costs with a driver safety course that is convenient and effective

Course description

The National Safety Council Defensive Driving Course (DDC) Online brings the time-tested content and acclaimed videos from our flagship DDC classroom course into a convenient web-based format. The course delivers leading-edge content to keep drivers safe while meeting the needs of an organization's driver safety goals. Participants have the flexibility to work at their own pace and according to their own schedule anywhere there is a computer with internet access.

This course presents real-life driving situations and motivates drivers to change their behind-the-wheel behaviors and attitudes. Through instructional advancements, computer-generated animation and adaptive interactivity, participants will learn best practices to protect themselves and the company.

This **4-hour*** course, available in English and Spanish, is tailored to a participant's age, driving attitude, vehicle driven, and location based on their responses – so one program works for most drivers and job functions.

What participants will learn

- Defensive driving strategies and techniques to reduce the chance of motor vehicle collisions
- How drugs, alcohol, physical conditions and emotion affect driving decisions
- How to deal with distracted, aggressive and fatigued driving
- Personal responsibility and accountability every driver needs to assume
- Conditions that impact driving and how to control them
- The dangers of cell phone use while driving and the hazards involved with unsafe driving behaviors
- The importance of occupancy safety devices and how to use them correctly

Course features

- NSC-developed adaptive curriculum to improve driver comprehension
- High degree of user interactivity to increase driver retention
- Resource center with valuable information and links to NSC-approved sites
- Statistics and information based on the very latest NSC research
- Videos, 2-D and 3-D animations, and crash scenario evaluation activities
- Bookmark feature to accommodate an organization's training agenda and employee schedules
- **Plus, when you purchase DDC Online, our 90-day Safe and Smart Guarantee assures your satisfaction**

**The length of time to successfully complete DDC Online may vary depending on the participant's learning styles and characteristics.*

More than 3 million drivers have improved their defensive driving skills with DDC Online Courses from the National Safety Council.

DDC Online is ideal driver training when:

- You have employees in remote locations
- You have immediate needs for training new and temporary employees
- You have limited classroom space or instructor resources
- You have steady need for refresher or post-incident training
- You have drivers with different backgrounds and multiple vehicle types

Establish your very own DDC Online training university

NSC can create a co-branded website exclusively for your company. **For quantity orders of 100 or more online course IDs**, we will provide customized web pages with your company logo and personalized welcome message to participants. Host it free and provide full administrative and technical support.

Plus, an administrator at your organization can manage your DDC Online training, track registrations, participant progress and test scores, assess user or department information, and generate detailed reports at any time with the easy-to-use Learning Management System.

With your customized administrative site, you have the ability to:

- Assign access codes to adapt to your organization’s department structure, site locations or business functions
- Acquire participant information and user reports instantly, or customize a report based on select requirements
- Create searches to find information that matches identified criteria and update employee records
- Print Certificate of Completions immediately

		500-999	\$15.50
		1,000-2,499	\$13.00
		2,500+	\$12.00

DDC SPOTLIGHT

LogistiCare

LogistiCare is the largest broker of non-emergency medical transportation and related services in the U.S., overseeing a network of over 4,500 providers and 35,000 vehicles that make 45 million trips yearly.

Since 2011, we have trained more than 27,000 drivers with DDC Online, helping us elevate quality. A measurable reduction in driving incidents serves as a testament to the high quality of the defensive driving strategies presented by this course. We are proud that millions of riders are receiving better services, and millions of dollars are being saved.
