

DDC Distracted Driving Online Course Frequently Asked Questions

I received a traffic ticket. Will the DDC Distracted Driving Online Course satisfy my citation obligations?

No. This online defensive driving course is not intended nor approved for motor vehicle point reduction or ticket dismissal programs. If you are taking a course for a traffic citation or insurance discount in FL, MI, NJ, or NY, [click here](#) to find your state approved program, if your state is not listed, contact your local court or insurance provider.

State and county traffic courts have different requirements for online defensive driving training. Although the National Safety Council has been pre-approved by several state and local court programs, you **MUST** check with your local courts before you enroll.

DDC Distracted Driving Online Course is intended for the organizations looking to training their employees or individuals associated with their organization and is not intended nor approved for motor vehicle point reduction, ticket dismissal programs or insurance premium discounts.

Is there a certificate issued for successful completion of this course?

No, However, there is a ***Pledge to Drive Cell-phone Free*** that the participant can print, copy and sign.

Is there an automobile insurance premium discount for completing the DDC Distracted Driving Online Course?

Probably not. Requirements for insurance discounts vary by state and insurance providers. If your employees or individuals associated with your organization intend to take this course for an insurance discount, they must **verify with their agent or insurance provider before enrolling in the course.**

How do I purchase registration keys for DDC Distracted Driving Online Course?

Visit the NSC web page nsc.org/DDCOnline-NOW or call the National Safety Council at 800-621-7619.

Can my organization track which employees have completed the course?

When you purchase 10 or more keys; NSC can set up an administrative database/website where you can generate reports that track registration status, participant progression and test scores. You will need to indicate to an NSC representative when you place your order that you want an administrative site. When you purchase 100 or more keys, NSC will set up a series of co-branded web pages with your company logo and welcome message to your employees in addition to the administrative database/website.
