

DDC Online Abridged, 9TH EDITION

NSC Driver Safety Training

Convenient, affordable driver safety training to accommodate the busiest schedules

Course Description

DDC Online Abridged takes approximately **2 hours*** to complete and can be done at your own pace with the convenient “bookmark” feature. DDC Online Abridged contains the primary learning points from our classroom defensive driving course with the convenience of online. Using animation, narration and interactive exercises, this abbreviated edition of our flagship 4-hour DDC Online Course offers an engaging learning environment and is perfect as a refresher course or post-incident training.

The DDC Online Abridged is intended for organizations looking to train their employees or individuals associated with their organization and is not intended nor approved for motor vehicle point reduction, ticket dismissal programs or automobile insurance premium discounts.

What participants will learn

Your employees will acquire the basic knowledge and skills to recognize and avoid motor vehicle collisions and violations and identify the benefits of defensive driving. The course will motivate participants to change their driving behaviors and attitudes and help them understand the legal, financial and personal consequences for poor-decision making.

By being presented with real-life driving situations and hazards and reinforcing key fundamental driving skills, participants will learn techniques for handling what they can control and guidelines for coping with everyday driving conditions.

Course features

- Full-motion video, 2-D and 3-D animations, and crash scenario evaluations interactivity and gaming exercises to enhance comprehension and retention
- Multiple driving scenarios to provide students the knowledge for real-life situations
- Emphasis on the dangers of cell phone use and texting while driving coping techniques for dealing with distracted, impaired and aggressive driving
- Three-step process to help drivers recognize hazards and avoid collisions
- Overview of common driving errors and how to avoid them
- Multiple choice test and printable certificate of completion with 80% passing score

Organizations large and small have entrusted National Safety Council DDC Online as their driver safety employee program providing customized, co-branded websites and administrative portals for over 800 companies including 25% of the Fortune 100.

See reverse side for more details on this feature.

** The length of time to successfully complete DDC Online Abridged may vary depending on the participant's learning styles and characteristics.*

DDC Online is ideal driver training when:

- You have employees in remote or multiple location
- You have immediate needs for training new or temporary employees
- You have limited classroom space or instructor resources
- You have steady need for refresher or post-incident training

Establish your very own DDC Online training university

NSC can create a co-branded website exclusively for your company. **For quantity orders of 100 or more online course IDs**, we will provide customized web pages with your company logo and personalized welcome message to participants. Host it for free and provide full administrative and technical support.

Plus, an administrator at your organization can manage your DDC Online training, track registrations, participant progress and test scores, assess user or department information, and generate detailed reports at any time with the easy-to-use Learning Management System.

With your customized administrative site, you have the ability to:

- Assign access codes to adapt to your organization’s department structure, site locations or business functions
- Acquire participant information and user reports instantly, or customize a report based on select requirements
- Create searches to find information that matches identified criteria and update employee records
- Print Certificates of Completion immediately
