

Matt Wilhelm

Died at the age of 25,
September 8, 2006 in Urbana, IL

Matt

One of four children, Matt received his Bachelors and Masters degrees from University of Illinois in Mechanical Engineering. He was a recipient of the Bronze Tablet which recognizes students in the top 3% of their graduating class.

Matt enjoyed biking, hiking, camping and exploring caves.

Cause of Death:

A 19-year-old driver was downloading ring tones to her cell phone as she drove.* She veered off the road, striking Matt from behind with the driver's side of her car, killing him.

* Story based on information from victim's family.

**Ban cell
phone use
while driving.**
