Barbara Caracci
National Safety Council
1121 Spring Lake Drive
Itasca, IL 60143-2336

Dear Ms. Caracci:

Thank you for submitting your school bus driver first aid program for re-approval by the Emergency Medical Services Authority as required by Title 22, Division 9, Chapter 1.2 of the California Code of Regulations.

After a comprehensive review, we find that your training program continues to meet the requirements set forth in law and regulation and approved by the Commission on Emergency Medical Services. Your program for school bus driver first aid is approved effective September 30, 2013 through September 30, 2017.

Thank you for improving the health and safety of California's school children by offering this training to the State's school bus drivers.

Sincerely,

A handwritten signature in cursive script that reads "Howard Backer".

Howard Backer, MD, MPH, FACEP
Director
