Barbara Caracci  
1121 Spring Lake Drive  
Itasca, IL 60143-3201

May 02, 2013

Dear Mrs. Caracci,

Based on the review of your letter and the changes to the following courses, you meet the Louisiana requirements for CPR Training and/or First Aid Training for Class A and Class B Child Care Centers:

National Safety Council Pediatric First Aid Course  
National Safety Council "Adult, Child and Infant CPR and AED" and the  
NSC First Aid, CPR & AED course.

Your period of validation continues and will expire on June 30, 2017. You must notify the EMS-C, Child Care Committee and the Bureau of Licensing within 30 days of any changes to your course(s) or instructor materials. To continue approval you must submit a complete application for re-evaluation 3 months prior to expiration.

To insure the highest quality of training in Louisiana, there may be outside monitoring of the instructors and/or courses. We appreciate your support to the health of the children of Louisiana.

Sincerely,  
  
Stephen Phillippe, Sr, NREMT-P  
Director Bureau of EMS
