Barbara Caracci, Director of Program Development & Training  
National Safety Council  
1121 Spring Lake Drive  
Itasca, IL 60143-3201

Dear Ms. Caracci:

The Continuing Education Committee of the State Board for Podiatry has completed its review of the continuing education program noted below. The program has been approved and assigned the following identification number:

PROGRAM NAME: NSC Basic Life Support for Health Care & Professional Rescuers  
DATE(S): Various Dates  
ID NUMBER: 65-03161  
CREDITS ASSIGNED: 4.0 A credits

Please submit a list of learners upon completion of this program. Be sure to include the assigned identification number on the participants' list. I wish you much success with this educational offering.

Sincerely,

Seth Rockmuller  
Executive Secretary
