Become an authorized NSC Instructor

If you have first aid training experience with another provider, you may qualify to be grandfathered in as an authorized NSC instructor. Visit nsc.org/FAinstructor.

NSC Emergency Medical Response

Quick Reference
Guide Mobile App

The best training for rescue personnel

The NSC Emergency Medical Response course exceeds current U.S. Department of Transportation National First Responder Curriculum— delivering the 2015 CPR and ECC Guidelines essential for emergency response teams; safety personnel; fire, police and ambulance personnel; EMS professionals and health care providers.

Participants Learn How To:

- ✓ Assess patients
- ✓ Respond to childbirth scenarios
- ✓ Address airway and breathing emergencies
- ✓ Respond to cardiac emergencies, including CPR and AED training
- ✓ Treat illnesses and injuries, including medical emergencies
- ✓ Remote-location first aid
- ✓ EMS Operations
