

# EMERGENCY!

It could happen. Do you know the emergency plan?

- Know your emergency coordinator
- Understand the emergency plan:
  - Evacuation policies and procedures
  - Emergency reporting procedures
  - Alarm systems
- Memorize your exit routes and assembly locations
- Suggest ways to improve the plan if you have an idea
- Keep a copy of the plan handy
- Volunteer for training to help assist with emergency evacuations
- Take practice drills seriously— it could save your life!
