## Avoiding Falls

### ACROSS

4. Place the base of a ladder on a firm, \_\_\_\_ surface.
9. Proper ladder setup will help \_\_\_\_ slips and falls whether at work or home.
11. A ladder shouldn't be used as a \_\_\_\_ or scaffold.
12. Always keep at least three points of \_\_\_\_ with a ladder.
13. When climbing a ladder, always face it and grip the rungs, not the \_\_\_\_.
14. Inspect a ladder before and after a job- don't use a \_\_\_\_ or unsafe ladder.

### DOWN

1. Don't stand higher than the \_\_\_\_ rung from the top of a ladder.
2. Make sure you know the \_\_\_\_ limits of a ladder you are using.
3. Don't \_\_\_\_ off a ladder.
5. Instead of leaning or \_\_\_\_, reposition a ladder closer to the work you are doing.
6. Check the area you will be working in for hazards, such as \_\_\_\_ or objects in the walkway.
7. If the weather turns bad when you are on a ladder, \_\_\_\_ immediately.
8. Never lean a ladder against a window pane or other \_\_\_\_ surfaces.
10. Use a tool \_\_\_\_ instead of carrying tools in hand.

### ACROSS

- In your emergency kit, include moist towelettes and garbage bags for \_\_\_\_\_.
- Emergency drills are crucial for \_\_\_\_\_, but are useful for natural disasters, too.
- Make sure every family member is aware of your plan and walk \_\_\_\_\_ through the process with you.
- If there is an elderly family member that needs extra assistance, keep their \_\_\_\_\_ in mind when creating your drill.
- Always include extra \_\_\_\_\_ for your flashlight.

### DOWN

- Emergency kits should include first aid and tool \_\_\_\_\_.
- Make sure your family has a plan in case of an emergency, and practices it at least \_\_\_\_\_ a year.
- Keep matches in a \_\_\_\_\_ container.
- Food in emergency kits should be \_\_\_\_\_.
- Practicing your plan in the dark can help \_\_\_\_\_ the room appearance in a fire or if the power goes out.
- When practicing your family plan, test all \_\_\_\_\_ and make sure doors and windows are able to be opened.
- Draw out a \_\_\_\_\_ of your home and keep escape routes clear at all times.
- An emergency supply kit should include enough food and water for \_\_\_\_\_ days.
