

SAFETY: it takes all of us

National Safety Month Material Checklist

Below you will find a variety of materials you can use to help promote National Safety Month throughout June. Don't forget to take advantage of everything available to engage as many as possible on these important topics.

2014 Weekly topics:

Week 1: Prevent prescription drug abuse

Week 2: Stop slips, trips and falls

Week 3: Be aware of your surroundings

Week 4: Put an end to distracted driving

Bonus week: Summer safety

Join the conversation with #NSM14

Materials free to members and the general public:

- NSM Public Poster (English & Spanish)
- Crossword puzzle and answer key
