## **Williams Welcomed Into Million Mile Club**

*District Manager Angela Curtis presents Jeanie Williams with the NSC Million Mile Award.*

Wallace NC Rural Carrier Jean “Jeannie” Williams was recognized for more than three decades of exceptional driving during a recent ceremony at the Wallace Post Office. Since beginning her postal career in 1978, she has accumulated over a million miles of safe driving serving as both a City and Rural Carrier.

During a surprise ceremony, District Manager Angela Curtis presented Williams with her Million Mile Award plaque and pin, as well as a personal letter acknowledging her accomplishment. Curtis told Williams, “You’re joining an elite group of professional drivers who maintain an excellent record of safety.” She added, “It’s an honor for me to present you with your Million Mile Award.”

While Williams’s success can be attributed to skillfully and conscientiously performing her duties, she graciously noted that helping her achieve this distinction was that for many years her route had no backing points.

Joining Williams at the ceremony were her husband Tim and daughter Lorea Darnell. A/Manager Post Office Operations LaVon McDonald, Postmaster Iccie Walden, and Safety Specialist Laura Brown also attended and commended Williams on her achievement.
