DeMato Wins Safe-Driving's Marathon

City Carrier Bryan DeMato with his award presented by District Manager Angela Curtis.

City Carrier Joseph Bryan DeMato is well-known by New Bern carriers as a sports enthusiast. That dedication is also evident in his performance at work as he was recently presented with the Million Mile Award from the National Safety Council. The coveted award recognizes DeMato's 34 years of safe-driving without an at-fault accident.

"Safety is a top priority each and every day," said District Manager Angela Curtis. "I hope all carriers aspire to achieve your remarkable accomplishment." DeMato credited his safety skills to driving defensively and anticipating the actions of other drivers and pedestrians. Human Resources Manager David Mills, Manager of Post Office Operations Dean Roberts, and New Bern Postmaster Charles "Skip" Miller III also attended and commended DeMato on his achievement.
