## Carrier Honored for “Rock Solid” Driving Record

*Rock Hill City Carrier Kenny Plemons receives his Million Mile Award from District Manager/Lead Executive Angela Curtis.*

Rock Hill city carrier Kenny Plemons joined the club recently – the Million Mile Club, that is!

District Manager Angela Curtis presented Plemons with the award from the National Safety Council, recognizing more than 30 years of accident-free driving. Plemons will also be considered for recognition as the Cap Metro Safe Driver of the Year for FY 2012.

The 37-year veteran employee served in the Air Force prior to entering the Rock Hill Post Office, where he has carried mail his entire career to date. Plemons plans to “call it quits” soon and spend time with his wife, Pam and their sons Michael and David. In the meantime, Plemons looks forward to enjoying the remainder of his time at Rock Hill. “This award is a huge honor, and is a highlight of my career. I wanted to get this before I left.”

A/Senior Manager, Post Office Operations Craig Kinlaw and Officer-In-Charge Brian Forte also participated in the ceremony along with Safety Specialist Laura Martin.
