New 2-Minute Safety Videos

Start your next safety meeting with a 2-Minute Safety Video. It's a great way to quickly engage and educate your employees on the importance of safety.

Here are links to a few of the videos available on the NSC member-exclusive website:

[Managing Stress at Work](#) - NEW

[Incident Reporting](#)

[Slips, Trips & Falls](#)

[Workplace Fire Safety](#) - NEW

Additional new videos are in the making, so keep an eye out for more to come.

To view all of the 2-Minute Safety Videos and also take advantage of other member-exclusive resources that will help you drive home important safety messages, [sign-in here](#).

2017 Congress & Expo Registration

NSC Safety Benchmarking Study

See how safety stacks up at your organization. It's not too late to participate! Take the survey at:

nsc.org/benchmarking

and immediately download your reports and comparisons!

New Music Video Everybody Just Drive Tonight!

The National Safety Council is excited to release, "[Everybody Just Drive Tonight](#)," a music video bringing attention to distracted driving. Set to the tune of "Everybody Have Fun Tonight" made popular by the 1980s band Wang Chung, the video encourages distraction-free driving. Check it out and share it too!

Membership Advantage

National Safety Council CONGRESS & EXPO

INDIANAPOLIS
2017
