Take Advantage of National Safety Council Training Opportunities

The National Safety Council is a leader in safety and health training and offers courses throughout the country and online. Members receive substantial discounts off training programs including:

- **Occupational Safety and Health:** Courses such as Principals of Occupational Safety & Health, Lift Truck, OSHA Compliance, Certificate Programs, and more
- **Emergency Care:** Courses such as First Aid & CPR, AED, Bloodborne Pathogens and more
- **Driver Improvement** (The USPS has a special contract for DDC training programs, contact your supervisor for more information)

Visit the NSC National Training Calendar at nsc.org/training to find training in your area.

Safe Driving Recognition

In addition to membership, the USPS has an exclusive contract with the National Safety Council regarding the Safe Driver Award Program (contract valid through September 2009). The agreement allows your facility to enroll in the USPS Safe Driver Award Program and order a selection of program components FREE OF CHARGE including:

- 1-45 Year Safe Driver Lapel Pins
- Million Mile Plaques
- Wallet Cards
