If you are attending congress, please check your meeting schedule when you arrive to confirm dates and time, and Amy Knight will be sending out additional calendar reminder to those attending.

### Agenda topic Safety Moment | Presenter Mark

Discussion: Slip/Trip/Fall heading into fall season. Reminder to keep doorways, walk way's and stair's clear of water or wet leave's. At home, use a single point of entry, such as a mud room, this will prevent potential slip and falls.

Check the NSC website for posters you can post in your work area on Slip/Trip/Fall.
