The National Safety Council Honors 38 Organizations with 2012 Industry Leader Award

Itasca, IL – The National Safety Council today announced 38 organizations have been awarded the NSC 2012 Industry Leader Award for safety performance in their industries. The Industry Leader Award is one component of the NSC Occupational Awards Program, which recognizes outstanding safety achievements of NSC members and represents the top 5 percent of member companies that have qualified for the NSC 2012 Occupational Excellence Achievement Award (based on 2011 calendar year data). Winners are selected based on North American Industry Classification System code, lowest total incidence rate and employee work hours.

The 38 organizations honored with the 2012 Industry Leader Award are:

About the National Safety Council

Founded in 1913 and chartered by Congress, the National Safety Council (nsc.org) is a nonprofit organization whose mission is to save lives by preventing injuries and deaths at work, in homes and communities, and on the road through leadership, research, education and advocacy. NSC advances this mission by partnering with businesses, government agencies, elected officials and the public in areas where we can make the most impact – distracted driving, teen driving, workplace safety and safety beyond the workplace.
