

Safe Communities America

Safe Communities America® (SCA), a program of the National Safety Council, is a US-based accreditation program that recognizes communities that make a commitment to safety. Safe Communities are locally-driven and bring people together to improve the health and safety of everyone in the community. SCA is part of an international network of communities that engage local partners who care about safety to reduce injuries and deaths.

Safe Communities America Activity Report

The table below outlines the accredited Safe Communities, population, lead agency and top three reported injury initiatives submitted in the 2017 Annual Coalition Survey. Accredited Safe Communities annually report on coalition-supported priority areas. This is not an exhaustive list and communities may work on additional injury areas.

Community Activity Report						
Community	State	Population	Lead Agency	Issue 1	Issue 2	Issue 3
Anchorage	AK	295,000	Nonprofit	Suicide	MVC: CPS	U/I Overdose
Dallas	TX	2,400,000	Hospital/Health	Violence	MVC: DD	Fire
