Teen Driving Safety Leadership Award Nomination Form

CRITERIA

Award winners will be chosen based on evidence of achieving the following outcomes:

- Changing behaviors to reduce teen crashes using proven, evaluated methods
- Leading efforts to educate and engage teens, parents and/or communities around teen safe driving practices
- Advocating for policies based on the proven principles of Graduated Driver Licensing

Before nominating an individual or organization, please consider, has this person or organization:

- Led efforts that reduced teen driving crashes?
- Mobilized others to get involved in teen driving issues?
- Advocated for policy that would strengthen current GDL programs or implement GDL at the community, state or federal levels?

If you answered "yes" to any of these questions, please fill out a nomination form. **Incomplete forms will not be considered.**

Submissions should include evidence of results, or how the contribution will result, in measurable reductions in teen crashes, injuries and deaths. You are encouraged to submit supporting documentation in addition to this nomination form.

NSC reserves the right to judge nominees in categories depending on the number and type of submissions.
