## STEP 1

### Enhance your safety education by joining NSC as a Student Member

- Membership benefits include:
  - ▶ 30% off all NSC textbooks purchased from [nsc.org](http://nsc.org)
  - ▶ Access to members-only areas of the NSC website
  - ▶ Subscription to *Safety+Health*® magazine through graduation
  - ▶ Student registration to NSC Congress & Expo and other events
  - ▶ Access to NSC Library Services
- Join for free at [nsc.org/studentmember](http://nsc.org/studentmember)
- Visit [nsc.org/studentportal](http://nsc.org/studentportal) for news and supplements

## STEP 2

### Jump start your career and join the Young Professionals Division

- Tailored to safety professionals under 45 and those new to the safety profession
- Membership is free to undergraduate students (\$35 for graduate students and safety professionals)
- Membership benefits include:
  - ▶ Invitations to Young Professionals Division meetings
  - ▶ Networking opportunities with safety professionals
  - ▶ Career mentoring and development opportunities
  - ▶ Free NSC division safety trainings and courses
  - ▶ Potential leadership in other NSC Divisions, the NSC Board of Delegates, the Campbell Institute and NSC World Class Team
  - ▶ Help craft and guide future NSC policies and positions
- Visit [nsc.org/ypd](http://nsc.org/ypd) for more information

## STEP 3

### Now you're working! Apply for the Rising Stars of Safety award program

- The Rising Stars of Safety are:
  - ▶ Nominated by their supervisors, Rising Stars award winners are the next generation of safety leaders
  - ▶ An elite group of safety professionals under age 40
- Visit [nsc.org/risingstars](http://nsc.org/risingstars) for more information

## STEP 4

### Share your knowledge in the NSC industry divisions

- Interact with peers and discuss the responsibilities/challenges of the safety industry, attend industry-specific events and training sessions
- Industry-specific divisions include:
  - ▶ Alcohol, Drugs and Impairment
  - ▶ Business and Industry
  - ▶ College and University
  - ▶ Community Safety
  - ▶ Construction
  - ▶ Labor
  - ▶ Transportation
  - ▶ Utilities
- Visit [nsc.org/divisions](http://nsc.org/divisions) for more information
