

# Defensive Driving Course

10TH EDITION

The **NSC Defensive Driving Course** is recognized for its leading edge curriculum, defensive driving strategies, hazard recognition exercises and learner retention strategies. The 10th Edition delivers a multimedia presentation with a full library of new videos and the most relevant content conforming to today's driving challenges, behaviors, incident rates, road conditions, traffic laws and more.

**You decide the course length you want to teach.** Consider training schedules, safety goals, incident rates and patterns, and the employee's defensive driving behaviors and skill level. When different training situations arise or when requirements vary, you have the flexibility to offer the 8-hour format at a new employee safety orientation, and then later offer the 4-hour for refresher or post-incident training.

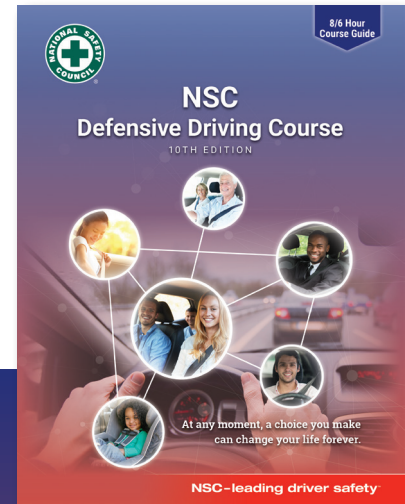

## What participants will learn

Whether your employees are experienced drivers, assuming new driving responsibilities, or simply commuting to and from work, this Course will provide them with safe driving knowledge and collision prevention strategies that focus on **behavior, judgment, decision making and consequences**. Offering fact-based data, this course will help influence learners to make positive choices to improve driving behaviors and attitudes and encourage respectful and lawful decisions to avoid collisions and decrease traffic violations.

Focusing behavior-modification strategies and techniques the course now includes greater emphasis on:

- ▶ Distracted, fatigued and impaired driving
- ▶ Substance impairment
- ▶ Sharing the road
- ▶ Habits of defensive driving
- ▶ Vehicle technology and safety features
- ▶ Personal driving behaviors and risk-taking tendencies
- ▶ Hazard identification and risk-assessment challenges
- ▶ Scenario-based training
- ▶ Application of knowledge and skills testing
- ▶ Personal plan for making effective driving choices

AVAILABLE JANUARY 2019!

The most comprehensive driver safety program gives instructors the flexibility to teach the course in **8-hour, 6-hour or 4-hour formats!**

### Course features and overview

The **8-hour** format integrates more than **60 minutes of all-new video**, animated graphics and illustrations. From hazard recognition scenarios to risky driving evaluations to vehicle maintenance checkpoints, the multimedia presentation reinforces the key learning points and strengthens the participants' understanding of the benefits of choosing safe, responsible driving. Total video duration will vary based on course length. For a closer look at the videos in the course, visit [nsc.org/DDC10-videos](https://nsc.org/DDC10-videos)

#### 8-Hour Course

**Our most comprehensive defensive driving curriculum.** This 8-hour, highly interactive classroom course provides the highest level of defensive driving knowledge and skills, the benefits of being a safe and responsible driver and the techniques for avoiding high-risk driving behaviors. Throughout the course, hazard recognition scenarios and the skills needed for dealing with immediate danger and anticipating potential hazards are the principal learning points.

#### 6-Hour Course

**The foundation of defensive driving.** The 6-hour course provides the primary knowledge and skills for defensive driving and describes techniques for avoiding high-risk driving behaviors. Participants will learn that the right attitude can prevent collisions and understand the consequences of poor-decision making.

#### 4-Hour Course

**Refresher training for all employees.** The 4-hour abbreviated course provides drivers with the key learning points from our 6-hour course and offers fundamental defensive driving knowledge, skills and techniques.

### Getting started with NSC Instructor Certification

Become certified to teach the Defensive Driving Course through NSC eLearning Instructor Certification Training. You can schedule training at your convenience. The web-based program invites candidate instructors to complete the course at their own pace, with the added benefits of eliminating travel expenses and less time away from home and work.

The Instructor Certification Course combines best practice instructor facilitation and training methods for teaching defensive driving, instructions on how to teach the course along with scenario-based training depicting actual instructor-student interactions.
