Tips for a spooktacular Halloween

Choose a costume that is flame-resistant.

Knives, swords and accessories should be made of cardboard or flexible materials.

Choose non-toxic face paint and decorative hats as safer alternatives over masks that can obstruct vision.

Fasten reflective tape to the costume for increased visibility, and choose bright colored costumes.

Flashlights or glow sticks help increase visibility.

Costumes, including shoes, should be well-fitted.

Be sure to check candy before your child eats it.

Remind your child to never enter a stranger's home.

Halloween is an exciting time for kids, but can be worrisome for parents. This year, leave the fear to spooky movies and pick a costume that’s fun – and safe – for your child.
