Welcome to the Council's Library Alert service for Members Only. The Alert is a small sampling of the documents recently added to the Library collection. For topics not included in this Alert, please contact the Library for a targeted search. Documents from National Safety Council publications are indicated with Bold Type.

Copyright law does not permit us to provide full text of documents through the catalog. Some citations include a URL field, allowing access to documents that are available online. For citations without a URL, please contact the Library for help in obtaining documents. Please note that copyright restrictions may apply.

If you have any comments or questions about the Alert service, please contact the Library at library@nsc.org or 630-775-2199.
