

Public Eye on Safety Submission Guidelines

Who We Are

The NSC Government and Public Sector Division provides a forum for collaboration, communication, knowledge exchange and support among safety and health professions working in the government and public sector.

To learn more about the NSC Government & Public Sector Division, please visit nsc.org/govdiv

The Public Eye on Safety Library

The “Public Eye on Safety” online library is a collaborative resource for public sector administrators who are responsible for oversight, as well as the day to day management, of the safety and health of the public, public sector employees, facilities, operations or services. It provides an opportunity for our members to share their broad base of knowledge on the diverse safety and health issues that public sector management should be aware of and practical guidelines on how to develop effective policies and programs to control those hazards and enhance safety and health within their organizations.

Submit Your Article

We welcome article submissions from safety and health professionals. You may write on any safety, health, environmental or emergency preparedness topic and area of knowledge. Articles should be brief, about 500 words (two pages) and may include up to four photos.

Email your article submission to divisions@nsc.org. Please use “PES ARTICLE SUBMISSION” in email subject line. The editorial team will review your submission and respond shortly. Once your article is accepted, you will be advised of the online NSC publication month. Please note that the editorial team reserves the right to determine content and edit all submissions.
