

Coaching the Emergency Vehicle Operator (CEVO): Ambulance

Course Content Overview

CEVO 4 Classroom – 6 hour

Vehicle Inspection and Characteristics

Self-appraisal and checklist review

Critical Elements

Scanning, cushion of safety, and communicating (SCC), reaction time, stopping and following distance

Situational Driving in Emergency and Non-Emergency Driving

Applying the principles of SCC in open, rural roadway and congested, city driving environments showing and discussing various driving scenarios

Special Considerations

Backing, turns, adverse weather, driving at night, blind spots, hydroplaning, roundabouts, move over law and toll areas

You Be the Coach

Emergency driving scenarios analyses and group discussion, collision reporting procedures, self-appraisal review

Final Test

80% passing score to receive Certificate of Completion and Recognition Patch. Mail test to Coaching Systems for grading and certificate issuance.

CEVO Ambulance is also available in an online format and takes approximately 4 hours to complete.

CEVO Ambulance Maneuvering Skills

Exercises and Demonstrations

Serpentine Driving

Backward and forward

Backing

To the Right and Left

Backing with an assistant

Tests the operator's ability to drive the vehicle smoothly, judge spatial relations, maximize the use of mirrors, and communication with other squad members

(See side 2 for CEVO Fire Classroom and Maneuvering Skills)
