

Waterborne Transport Group Sponsorship Opportunities

The NSC Waterborne Transport Group (WTG) was established in 1917 as the Marine Section of the National Safety Council. Its goal was, and continues to be, safer waterways.

WTG members and special guests meet in-person twice annually to network, learn, and engage in conversation about preventing injuries, fatalities, and maritime-related environmental and safety incidents on waterways around the world. Educational presentations, roundtable discussions, and question and answer sessions throughout the one-and one-half days of meetings provide all guests with the opportunity to advance their knowledge and helps the WTG continue to address vessel related safety issues. Light breakfast snacks and coffee will be provided each day and a special reception with hors d'oeuvres and drinks are planned for all guests as a part of this experience.

As a non-profit organization, NSC relies on the support of our partners to fuel our mission. NSC and the WTG respectfully ask your company to make a donation to help underwrite the costs associated with hosting these meetings, including food and beverage. We are seeking donations of all sizes – both big and small – to support this effort.

As a sponsor, your company will receive:

- Recognition by name on nsc.org and in WTG promotional messaging
- Logo placement onsite at both in-person meetings
- Acknowledgment on event materials
- Two full days of networking access with WTG members and industry guests
- Acknowledgment at the special evening reception

We welcome the opportunity to partner with you and thank you in advance for your time and consideration.

To donate, visit the [Waterborne Transport Group page](#) and click "Sponsor the Group," or reach out directly to Jessica Pack at Jessica.Pack@nsc.org.

To donate by check, make it payable to National Safety Council, note "Donation" (or your preferred fund) in the memo line, and mail to:
