

DDC Attitudinal Dynamics of Driving 5th Edition is an instructional intervention course for repeat traffic offenders and non-driving-while-intoxicated/driving-under-the-influence (DWI/DUI) offenders.

The new 5th Edition of the program has three versions: 4-hour, 6-hour and 8-hour. All three versions of the DDC-ADD course can be conducted through Classroom presentation or Virtual Instructor Led Training [VILT].

The Instructor Resource Kit [IRK] will contain all the materials needed for transitioning and new Instructors to the updated and improved program. Transition to the 5th Edition will begin on available April 1, 2023 and will replace the DDC Attitudinal Dynamics of Driving 4th Edition course.

DDC Attitudinal Dynamics of Driving 5th Edition - INSTRUCTOR TRANSITION

1. Who can transition to the DDC Attitudinal Dynamics of Driving 5th Edition?

Instructors who are currently authorized to teach the DDC-ADD course; and have, or update to a current Instructor credential.

Need to view or update your Instructor credential? Visit <https://www.nsc.org/instructor-renewals/search>

2. When is the DDC Attitudinal Dynamics of Driving 5th Edition transition period?

The transition period begins on 4/1/2023, and will end on 9/30/2023.

3. What is the price of the DDC Attitudinal Dynamics of Driving 5th Edition Instructor Resource Kit (IRK) during the transition period?

Instructor Transition 5th Ed Kit [English] / Product number 44200-0143 will be at 50% off standard catalog pricing during the transition period.

Member - \$764.50 **\$382.25** | Non-member \$955.62 **\$477.81**

4. Can I still transition after 9/30/2023
