

Fall Meeting Information

Monday, Sept. 14 - Thursday, Sept. 17, 2026

Connect with Union Safety Leaders this September

Join fellow union members, exchange ideas, and work together to address today's most important workplace safety challenges. Whether you're leading safety efforts, supporting training, or just getting started, there's something here for you.

- Be Part of the Conversation: Join committee meetings and caucus sessions to share ideas and learn how others are improving safety in their workplaces
- Learn What Matters: Hear from expert speakers covering real-world topics that impact union members and job site safety
- Connect with Others: Build relationships with fellow union members who care about protecting workers and strengthening their communities

Walk away with practical insights and strategies you can bring back to strengthen safety in your workplace. Labor Division meetings are open to all union members. Separate fee and pre-registration required. Questions? Email: divisions@nsc.org.
