Agenda

- Instructor Transition Information
- NSC First Aid 9th Edition Updates
- First Aid at Congress – Indianapolis
- General First Aid Information Share

Instructor Transition Action Required

- Beginning in August 2026, NSC First Aid Instructors must purchase a digital **Instructor Transition Kit** for the courses they teach.
 - Workplace First Aid, CPR & AED available in August.
 - All other courses available in September
- The Transition eLearning Module must be completed to purchase the updated participant workbooks and to be eligible for renewal in 2027.

NOTE: New NSC First Aid 8th instructors (including Crossover Instructors) who join NSC between April 1 and August 31 will automatically receive a free 9th edition digital transition kit when they are available – Sent to your **NSC Learning Account**.

Workplace First Aid, CPR and AED Transition Kit

Available August 1, 2026 - For authorized First Aid, CPR & AED Instructors & Training Centers only.

This kit provides the tools needed to transition to teaching our Workplace First Aid, CPR & AED 9th Ed. content. It includes:

- **First Aid, CPR & AED Instructor Transition eLearning Course**
 - First Aid CPR & AED Digital Instructor Manual, 9th Ed.
 - First Aid CPR & AED Digital Participant Workbook, 9th Ed.
 - First Aid Digital Participant Workbook. 9th Ed.
- CPR & AED Digital Participant Workbook, 9th Ed.
- Multimedia materials for teaching:
 - First Aid, CPR & AED
 - First Aid
 - CPR & AED
- Digital Certificate Guide
- First Aid, CPR & AED Skills Testing Guide

After August, 1 - Purchase on [NSC.org](https://www.nsc.org) – Access via NSC Learning – [Learn.nsc.org](https://learn.nsc.org). To purchase a printed copy of the First Aid, CPR & AED Workplace Instructor Manual, 9th Ed. (available after 9/1/2026) contact CustomerService@nsc.org and request Product Number 792059001.
