

Lorraine Pack Memorial Scholarship

Lorraine Pack inspired those around her to care for each other's safety and protect the environment in which we live and work. She participated in Campbell Institute events and embraced the Institute's focus on solving global environmental, health and safety challenges through innovation and research. During her life, Lorraine mentored women of all ages on what it takes to be an EHS professional, the importance of connecting with operational leaders, and inspiring employees to improve stewardship and lead with EHS. The Lorraine Pack Memorial Scholarship Fund allows her legacy to live on by inspiring young women to pursue careers in the EHS field.

Given to female students who are interested in pursuing EHS or related fields, the Lorraine Pack Memorial Scholarship provides the winner a \$2,000 tuition award, and the opportunity to attend either the annual Campbell Institute Symposium or the NSC Safety Congress & Expo at no cost.

The NSC Safety Congress & Expo is the world's premier annual EHS event, bringing together 14,000 EHS professionals from various industries. The Campbell Institute Symposium is a two-day event that brings together thought leaders in the EHS field from all over the world for an open exchange of forward-looking ideas and best practices.

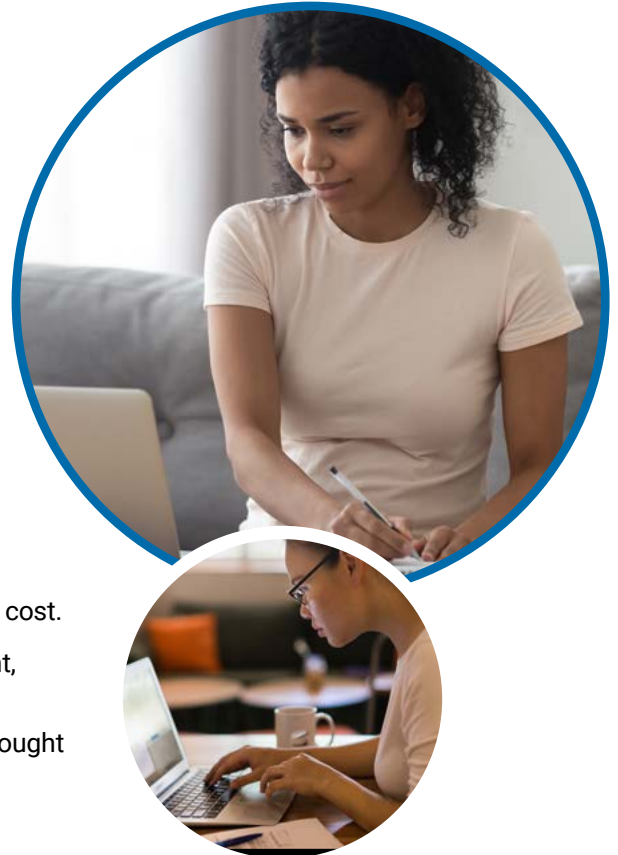

Scholarship rules and guidelines

Eligibility

- Female students seeking post-secondary education leading to a career in environmental, health and/or safety
 - Students attending community colleges, technical programs, apprenticeships or bachelor's degree programs within the United States (both in-person and online), enrolled full or part-time and graduating no earlier than May 2022.
 - Part-time candidates may receive a prorated award
- Applicants not employed in a full time position at the time of application will receive priority
- For those who are attending programs without EHS majors, at least 25 percent of course work each semester must be EHS related

Application and selection

- To be considered, applications must be fully completed and submitted online no later than March 31, 2021
- Two letters of recommendation must be submitted with the application by March 31, 2021. Up to three letters may be submitted.
- Completion of an application does not guarantee a scholarship award
- Finalists will be notified by May 3, 2021
 - Finalists will be asked for additional information, verification of claims and to supply transcripts
 - Finalists will need to pass a media review, and will need to reveal any criminal history prior to final submission
 - Criminal history may be a factor in the decision whether or not to award the scholarship
- NSC staff and volunteers will have access to the information provided on all applications

Award Information

- Recipients will receive a check in the amount \$2,000 written to both the university/college and the recipient
 - The \$2,000 award may be prorated if the recipient is not a full-time student
 - Recipient will need to sign an acceptance agreement stipulating use of funds for tuition, books and supplies

NSC Safety Congress & Expo/Campbell Symposium Attendance

- This scholarship will fully fund attendance to the NSC Safety Congress & Expo or Campbell Institute Symposium, including registration, transportation, lodging and per diem
- All travel arrangements are to be completed by the National Safety Council system; other reservations or travel arrangements will not be reimbursed
- The total value of this scholarship varies annually by location of the NSC Safety Congress & Expo or Campbell Institute Symposium and by recipient due to variance in travel costs from around the country

Application Details

The application will be available online at [Submittable](#). Below is a list of questions that will be included in the application:

- Why did you choose to study environmental, health and/or safety?
- Why do you deserve this scholarship?
- How do you plan to use the knowledge and experience gained during your education to help other young environmental, health and safety professionals?
- Would you rather attend the NSC Safety Congress & Expo or the Campbell Institute Symposium? Why?

Letter of recommendation (two are required; three may be submitted)
