Discussion

Technology and COVID-19: Testing and Contact Tracing
Can you tell us a little bit about the COVID-19 project you all have been working on?
Technology and COVID-19: Testing and Contact Tracing
What are some of the benefits and challenges around testing and are there any apps/technologies that can be helpful?
Technology and COVID-19: Testing and Contact Tracing
What is the connection between contact tracing and testing?
Technology and COVID-19: Testing and Contact Tracing
Can you tell us about your contact tracing technology?
Technology and COVID-19: Testing and Contact Tracing
Technology and COVID-19: Testing and Contact Tracing

What are some of the benefits and challenges around contact tracing?
Technology and COVID-19: Testing and Contact Tracing
We know this technology was created to help with nursing homes, could this be used in other workplaces? (Such as construction, manufacture ring, etc.)

Technology and COVID-19: Testing and Contact Tracing
Technology and COVID-19: Testing and Contact Tracing
When it comes to testing and tracing technologies - what are you seeing in terms of how employers are responding to employee privacy concerns?
