National Safety Council

Position/Policy Statement

Motorcycle Helmets

The National Safety Council endorses laws requiring all riders and passengers of motorcycles to wear protective helmets which must meet recognized standards.

This position statement reflects the opinions of the National Safety Council but not necessarily those of each member organization.

Approved by the Traffic Conference Executive Committee, July 17, 1978

Approved by the Traffic Conference, October 2, 1978

Approved by the National Safety Council Board of Directors, October 2, 1978
