Workplace Wellbeing Hub

Benefits Checklist

This Benefits Checklist is meant to be used alongside the Benefits Station of the Workplace Wellbeing Hub. You might need to work with your human resources team to answer some of the questions. While you might not be able to answer "yes" for all questions yet, this tool can help you examine what your workplace might be interested in working on to advance your workplace's health, safety and wellbeing.

Health Care Coverage: providing health care coverage is critical to assuring workers can get the medical and health-related services they need to be safe, healthy and well.
